**EAN:** 8425284221859 **FABRICANTE:** TOT HERBA

*Long-lasting natural family deodorant, with essential oils of sage, marjoram, basil and clove. Effectively and naturally regulates bad body odor. It does not dry out or stain and keeps the skin hydrated. It does not prevent perspiration and the natural regulation of skin temperature.*

### DESCRIPTION

The effects of essential oils of sage, marjoram, basil and clove in terms of regulating body odor are widely known, and combined with moisturizing factors they leave the skin clean, fresh and with a pleasant feeling of well-being.

**Indicated:** For use by the whole family to avoid bad odor in armpits and feet.

### Effects:

- Pentylenglycol and glycerin moisturize the skin and counteract the effect of the alcohol base.
- Trietile Citrate inhibits the enzymatic breakdown of sweat and prevents the formation of bad odors.
- Sage essential oil is antiseptic, antiperspirant, astringent and sebum regulator. Marjoram essential oil is antibacterial and antioxidant.
- These two essential oils are combined with those of basil, mastic, clove and lavender for a more powerful and long-lasting effect.

### How to use:

- Spray directly on the torso and armpits on the feet, proceed as in the case of the armpits. It is suitable for footwear.
