

Collagenix Lift 60 Tabs

EAN: 8008843132355 FABRICANTE: TREPATDIET

Food supplement with a high content of polyphenols with antioxidant action. It also contains hyaluronic acid, hydrolyzed collagen type I and III, vitamin C and zinc, which contribute to the normal maintenance of the skin.

DESCRIPTION

Food supplement formulated to combine the properties of **Marine Collagen Type I, hyaluronic acid and resveratrol** with other active and nutritive ingredients useful for the well-being of the skin. The origin of the collagen, its quality and good assimilation make this product an ideal beauty supplement for people who want to take special care of their skin, hair and nails.

Instructions for use

It is recommended to take two tablets a day, on a full stomach.
