

Rigenforte Anti-Hair Loss Shampoo 250ml

EAN: 8008843132645 FABRICANTE: TREPATDIET

The Rigenforte ESI trichological line is a valuable ally for the treatment of hair loss and for your daily well-being.

DESCRIPTION

Patented formula composed of biotin, methionine and cystine. Methionine and cystine are sulfur amino acids that reinforce the keratin structure of the hair, giving it strength and elasticity. Biotin is useful for rebalancing sebum production at the cutaneous and scalp level, maintaining normal hair, maintaining normal mucous membranes, maintaining normal skin.

Rich in essential active substances, they promote cellular vitality and favor the well-being of the follicle and scalp.
