DESCRIPTION

At Distribuciones Alimenticias Vallesol, we provide a comprehensive service in the field of hospitality and food.

The company offers a wide variety of top quality products from the best brands on the market, ranging from drinks to sausages, including all types of preserves in industrial or family presentations.

Its history dates back to 1966, the year it was founded by Manuel García Clavijo. Since then, it has experienced constant growth, adapting to market trends to provide its customers with a wide range of products with the highest quality standards and competitive prices.

The contribution of customers has been fundamental in this process, since they have suggested needs that have driven the growth of the company in terms of catalog, service and quality.

The services of Distribuciones Alimenticias Vallesol are aimed mainly at the hospitality and food sector, including restaurants, bars, hotels, grocery stores, specialized establishments (such as bakeries and chicken shops), communities, celebration halls and catering services. In short, to all those companies that need to purchase food wholesale with guarantees of quality and service.
