DESCRIPTION

What is Viridian Biotin?

Biotin is the beauty B vitamin that nourishes from the inside, contributing to the maintenance of hair and skin in normal conditions. This one-day supplement provides an optimal therapeutic dose. 100% active ingredients formulated by expert nutritionists.

Biotin, also known as vitamin B7, uniquely supports the health of hair, skin and nails. It owes its name to the ancient Greek word "biotus", which means "sustenance" or "life."

Biotin is found naturally in food sources such as fish, dairy, nuts, and green leafy vegetables and is a water-soluble vitamin that helps the body perform a variety of different functions. In addition to maintaining healthy skin, it can also serve to support the nervous system, normal psychological function, and even metabolic function.

In this once-daily microcapsule capsule, biotin is delivered at a daily amount of 2500 µg, making it an effective supplement for beauty and health from the inside out.

Contains 100% active ingredients formulated by expert nutritionists with no artificial or nasty fillers. Sourced in accordance with Viridian's strict ethical criteria, including no testing on animals, GMOs or palm oil.

What is Biotin used for?
