### DESCRIPTION

#### What is Viridian Boswellia and what is it for?

Boswellia Serrata is a tree native to India, North Africa and the Middle East. Strips of bark are sustainably removed, producing a gummy oleoresin containing oils, terpenoids and gum resin. Boswellia resin gum has been widely used in Ayurvedic practice to treat a wide variety of conditions.

Also known as frankincense, boswellia is best known for supporting joint health. Other uses have shown that it also supports mental function, maintains blood cholesterol at a healthy level, thereby supporting heart function, supports gastrointestinal tract health, supports lung health, supports menstrual health, and supports health. male sexual.

Viridian's boswellia extract is sustainably sourced from frankincense trees in India. Each vegan capsule provides 270 mg of boswellia resin in an easy-to-take daily dose.

Contains 100% active ingredients, formulated by expert nutritionists with no artificial or unpleasant fillers. Sourced in accordance with Viridian's strict ethical criteria, including no testing on animals, GMOs or palm oil.
