DESCRIPTION

What is Viridian Cranberry Extract used for?

Rich in color and flavor, blueberries are one of nature's powerhouses and are packed with plant compounds known as polyphenols. Blueberries are a source of proanthocyanidins, the nutrient-rich pigments that give blueberries their red color.

Made from whole Canadian blueberries, this concentrated extract of the whole fruit naturally contains all of the beneficial compounds found in blueberries. Without added sugar, it is an ideal alternative to fruit juice. With a standardized cranberry extract to ensure a consistently effective level of active ingredient within each capsule.

Contains 100% active ingredients formulated by expert nutritionists with no artificial or nasty fillers. Sourced in accordance with Viridian's strict ethical criteria, including no testing on animals, GMOs or palm oil.

Just to let you know that we are currently updating our packaging so your supplement may look a little different. Don't worry, the interior is the same.
