

Horse Chestnut 60 Vegetable Capsules

EAN: 5060003598862 FABRICANTE: VIRIDIAN

Horse Chestnut extract is a common choice among herbal supplements. Each capsule includes a horse chestnut seed extract with an aescin level of 18-20%, thus guaranteeing constant effectiveness with each dose. This extract contributes to the health of veins and capillaries. It is a formula developed by expert nutritionists, with active ingredients in its entirety.

DESCRIPTION

What is Viridian Horse Chestnut and what is it for?

Traditionally used to relieve the feeling of tired legs, horse chestnut extract has been shown to be beneficial in maintaining healthy circulation and supporting the well-being of veins and capillaries. This supplement contains horse chestnut seed extract standardized to 18-20% aescin, thus ensuring an effective and consistent amount of active ingredient in each capsule.

The horse chestnut is a large tree that loses its leaves in autumn, native to Europe and very common in the United Kingdom. Also known as the dogwood tree, it produces large, bright mahogany seeds contained within prickly pods.

This supplement is made up of 100% active ingredients, carefully selected by nutrition experts, without artificial additives or harmful substances. Our company follows strict ethical standards, including the prohibition of testing on animals, genetically modified organisms and palm oil.
