

AFR2 Raspberry and Green Tea Ketones 90 Vegetable Capsules

EAN: 8436540530868

FABRICANTE: VIT.O.BEST

AFR2 Contributes to stimulating the metabolism of adipose tissue. It can act as an inhibitor of pancreatic lipase. Helps trap free radicals in the body.

DESCRIPTION

AFR2 from vitobest helps reduce abdominal fat. The ingredients in AFR2, from Vitobest®, help inhibit the formation of adipocytes and increase our body's caloric expenditure.

- Raspberry ketones: This ingredient stimulates the metabolism of white and brown adipose tissue, and acts as an inhibitor of pancreatic lipase^{1,2}.
- Green coffee: contains 7% chlorogenic acids (a series of phenolic esters that helps trap free radicals in the body).

For this supplement, **Vitobest®** uses **vegetable capsules** (VegeCaps) **suitable for vegan diets** and **free of titanium dioxide**.

What is AFR2 from Vitobest® used for?

- It helps stimulate the metabolism of adipose tissue.
- It acts as an inhibitor of pancreatic lipase.
- Helps trap free radicals in the body.
