### DESCRIPTION

#### What is Amylopectin from Vitobest® and what is it for?

**Amylopectin**, from **Vitobest®**, is the rapidly absorbed supplement that can be used with proteins, as isolates or hydrolysates, or with any other hydrate, to sweeten to taste. Made from **100% pure amylopectin** (does not contain any other carbohydrates or sweeteners in its neutral formulation).

Manufactured by **Cargill?**, a company recognized for producing the best amylopectin on the market, the one used in our formulation has a **molecular weight of between ten million (10,000,000) and one billion (1,000,000,000)**, the highest obtained in a carbohydrate, and a **very low osmolality** (helps minimize the risk of stomach problems). Furthermore, its supplementation is the fastest and most effective way to restore muscle and liver glycogen stores.

#### Amylopectin helps:

- Minimize the risk of stomach problems.
- Restore muscle and liver glycogen stores.
- Optimize sports performance and recovery.
- Provide instant energy.

#### What are the ingredients of Amylopectin from Vitobest®?

**Ingredients:** Waxy Mayze amylopectin ( **sulfites** ).
