

## Antiox 50 Vegetable Capsules

EAN: 8436540532756 FABRICANTE: VIT.O.BEST

Contributes to the protection of cells against oxidative damage. Formula rich in antioxidants. Contains plant extracts, citrus bioflavonoids, resveratrol, quercetin, lutein, vitamins, CoQ10, R-ALA, reduced glutathione, NAC and minerals. They are vegetable capsules suitable for vegan diets and free of titanium dioxide.

### DESCRIPTION

#### What is Antiox from Vitobest®?

**Antiox**, from **Vitobest®**, is a food supplement formulated from **antioxidant agents** that help **neutralize molecular damage caused by both external free radicals** and those formed in the oxidative processes that occur in the body.

There is a belief that all free radicals and oxidizing agents act in the same way in the body, but this is not the case. In the same way that each oxidative process follows its own patterns, a specific antioxidant agent is needed to combat it.

From this certainty emerged Antiox, from **Vitobest®**, the revolutionary formula that combines the action of a broad spectrum of antioxidants to help neutralize the harmful effect of oxidation caused by both external free radicals and those formed in the body's own oxidative processes.

Among the ingredients responsible for this process, active ingredients from plant extracts stand out: proanthocyanidins (dry extract of grape seeds), citrus bioflavonoids (50% hesperidin), resveratrol, quercetin and lutein; and vitamins A, C and E of the highest quality (**DSM®**). In addition, it contains substances such as CoQ10 (**Kaneka Q10?**), alpha-lipoic acid (R-ALA) (**Alipure®**), reduced glutathione and NAC (N-Acetyl L-Cysteine); and minerals such as calcium, selenium and zinc, essential for the synthesis of antioxidant enzymes.

#### What are the ingredients of Antiox by Vitobest®?

**Ingredients:** calcium ascorbate (vitamin C) (Ester-C®), dry extract of grape seeds (*Vitis vinifera*) 95% proanthocyanidins, thickener (capsule): hydroxypropylmethylcellulose, dry extract of mixed vegetables and fruits (**gluten**): (*Vitis vinifera*), *Citrus sinensis*, *Citrus paradisi*, *Vaccinium myrtillus*, *Carica papaya*, *Ananas sativus*, *Fragaria vesca*, *Pyrus malus*, *Prunus armeniaca*, *Prunus avium*, *Ribes nigrum*, *Solanum lycopersicum*, *Daucus carota*, *Camellia sinensis*, *Brassica oleracea*, *Brassica oleracea capitata*, *Allium cepa*, *Allium sativum*, *Olea europaea*, *Triticum vulgare germ*, *Cucumis sativus extract*,
