

## Salvital 7 · Ferrum phosphoricum 40 caps

**EAN:** 8436029340360    **FABRICANTE:** VITAL 2000

*Dr. Schüssler's biochemical therapeutic system advocates the use of only 12 remedies, known as mineral remedies or tissue salts.*

### DESCRIPTION

These inorganic remedies are constituents of the human body, they are present in each of us under normal conditions and, combined with organic elements, they serve to create and maintain the millions of cells of which we are formed. Dr. Schüssler called them biochemical remedies, precisely because they were mineral salts that were intimately and vitally involved in the chemistry of life, adopting for this the Greek root "bios" (which means life) and "chimica" (chemistry), that is, "the salts of the chemistry of life".

Vital 2000 markets some of the twelve biochemical remedies, tissue salts or Schüssler salts, under the generic name Salvital.

### DIRECTIONS FOR USE

Take 1 to 2 capsules three times a day before main meals. The dose may be increased to 1 capsule every ten minutes in acute cases, spacing out according to improvement. For greater effectiveness, the capsule may be opened and the contents placed on the sublingual epithelium.

### PRESENTATION

Box of 40 capsules in blister.
