### DESCRIPTION

Webotnix CBD Body Lotion is the ideal solution to keep your skin hydrated from head to toe. Thanks to its repairing effect, our moisturizing cream with CBD is perfect for nourishing your skin and reducing the signs of aging.

Designed for daily use, the formula of our CBD body lotion brings together the best selection of ingredients present in nature to nourish your skin in a natural and chemical-free way. 99.55% of the ingredients are organic.

### How to use BIO CBD Body Lotion

Apply a small amount of cream and massage into clean, dry skin until completely absorbed. Ideal for daily use after a shower or to soothe the skin after sun exposure.

### What are the ingredients of BIO CBD Body Lotion?

Aloe barbadensis Leaf Juice\*, Coco-Caprylate/Caprato, Propanediol, Cetearyl Alcohol, Alcohol\*\*, Cannabis Sativa Seed Oil\*, Cannabis Sativa Leaf Extract, Argania spinosa kernel Oil\*, Butyrospermum Parkii Butter\*, Simmondsia chinensis Seed Oil\*, Aqua, Arachidyl Alcohol, Glyceryl Caprylate, Behenyl Alcohol, Limonene.

**CBD ? 150 mg:** Cannabidiol is an ideal ingredient for the skin. Thanks to its soothing properties, it can help reduce skin irritations. In addition, its antioxidant properties help stop premature skin aging.

**Aloe Vera:** ingredient widely used in cosmetics for its soothing and regenerating properties. Its continued use favors soft and smooth skin.

**Jojoba Oil:** It is widely used in cosmetics due to the infinite properties it has. It has 97% ceramides in its composition that prevent water loss by reinforcing the skin barrier. It has moisturizing, cleansing and anti-aging properties that promote softer and more elastic skin.

**Argan Oil:** This oil has been one of the most used beauty secrets throughout history. Also known as liquid gold, argan has moisturizing, antioxidant, regenerating, anti-aging and revitalizing properties, providing

softness and hydration to the skin naturally.

In our CBD body lotion we combine the power of natural ingredients with the benefits of essential oils.

Geranium Essential Oil ? Antiseptic, antifungal, astringent, regenerating

Frankincense Essential Oil ? Rejuvenating, toning, anti-wrinkle, relaxing

Lavender Essential Oil ? Dermoprotective, regenerating, soothing, balancing.

Essential oils have been used throughout history to provide a pleasant aroma and a feeling of well-being.
