

Cannagyn BIO intimate cream 30 ml

EAN: 8437022223186 FABRICANTE: WEBOTANIX

CANNAGYN intimate cream hydrates and reinforces the skin's natural barrier. It has a powerful soothing action that returns comfort and softness to your intimate area. It contains moisturizing active ingredients that promote the natural lubrication of the area. Respect the physiological balance of the area. [pH 4.5]

DESCRIPTION

CANNAGYN intimate cream is ideal for returning comfort to your intimate area while maintaining the natural pH of the vagina, since it has an appropriate pH. Its main active ingredient is CBD (20 mg). The synergy with other natural ingredients such as sea buckthorn or centella asiatica make this intimate cream an ideal option every day.

When is Cannagyn recommended?

In cases of:

- Irritation or discomfort in the female genital area.
- Vaginal dryness and lack of lubrication.
