

Vegan Protein 768g Vital Sport

EAN: 8437022223261 FABRICANTE: WEBOTANIX

VEGAN PROTEIN is a food supplement based on vegetable proteins of high biological value. In its formulation, we also find probiotics and digestive enzymes from the DigeZyme brand, promoting the assimilation and digestion of protein. With digestive enzymes and Probiotics. Suitable for vegans, gluten-free and lactose-free.

DESCRIPTION

What is Vegan Protein Vital Sport for?

The WHO recommends the intake of 0.8-1g per kilo of body weight per day for a slightly sedentary diet. The amount of protein needed varies depending on your weight and how active you are, but even if your life is slightly sedentary... you also need to consume the recommended levels of protein.

- Protein is not only for athletes, but if you are an athlete, you need a plus.
- It is very difficult to obtain the necessary amount in your daily diet.
- It is essential to maintain your muscle mass.
- Accelerates metabolism.
- It produces satiety, preventing you from snacking between meals.
- It helps you maintain a balanced diet.

What is the recommended daily dose of Vegan Protein Vital Sport?

Add 32 g (approximately 3 level scoops) to 150-200 ml of fresh water and shake until completely dissolved.

What are the ingredients in Vegan Protein Vital Sport?

- Hemp Protein.
- Rice Protein.
- Pea Protein.
- Probiotics.
- DigeZyme Digestive Enzymes.
