### DESCRIPTION

#### What is the Weleda 2 in 1 Cleansing Lotion for?

It is used to cleanse and tone the face. Its light formulation contains distilled witch hazel water and natural saponified olive oil, which cleanses and refreshes the skin at the same time, leaving it toned, purified and with a fresh citrus scent.

#### What are the benefits of the 2 in 1 Cleansing Lotion?

- Cleanse and tone in one easy step
- fresh scent
- Maintenance of the hydrolipidic balance of the skin
- dermatologically tested
- Suitable for normal to combination skin.

#### What are the ingredients of the 2 in 1 Cleansing Lotion?

1. Witch Hazel Water: Distilled witch hazel water is excellent for facial cleansing products due to its cooling, astringent, and toning properties. When using it, the skin stays hydrated and does not dry out.
2. Olive Oil Soap: The saponification process of olive oil produces a material that can be used as soap and as a detergent substance.
3. Other ingredients: Water, limonene, Potassium olivate, Natural essential oils, Lanolin, Alcohol, Glycerin, Linalool, Citral.

#### How should the 2 in 1 Cleansing Lotion be used?

It is recommended to apply this lotion in the morning and at night on the face, neck and décolleté, using a cotton ball or the tips of the fingers. The area around the eyes should be avoided. Continue this process until the cotton is clean.
