DESCRIPTION

What is the Weleda After Shave Balm for?

This aftershave balm is as refreshing as a splash of cold water. With a light and fast-absorbing formula, it cares for and comforts irritated skin after shaving, whether manual or with a machine. Shea butter, together with chamomile and myrrh extracts, soothe the skin, while aloe vera gel hydrates it and provides a cooling sensation. Organic jojoba oil helps prevent dry skin. This balm is suitable for all skin types, including sensitive ones.

What are the benefits of the Weleda After Shave Balm?

Provides hydration and a calming effect for irritated skin, leaving it soft and healthy. It has been dermatologically tested on all skin types, including sensitive skin, and does not contain preservatives, dyes, synthetic perfumes or substances of petrochemical origin.
