

## Almond Soothing Face Cream 30 ml

EAN: 4001638086004    FABRICANTE: WELEDA

*This fragrance-free moisturizer is specially formulated to protect, soothe, and hydrate sensitive, dry skin. Helps reduce irritation and is designed to offer long-lasting and effective hydration without causing any discomfort. Its gentle, fragrance-free formula makes it suitable for people with sensitive skin.*

### DESCRIPTION

#### What is the Weleda Almond Soothing Facial Cream for?

The Soothing Facial Cream of this brand does not contain perfume. Its creamy formula has organic sweet almond and plum bone oils, which help strengthen the skin's protective barrier and provide hydration, especially for dry and sensitive skin. Regular use of this cream can leave skin smoother and more resilient.

#### What are the benefits of the Weleda Almond Soothing Facial Cream?

This cream has been designed to reduce the feeling of tightness and irritation, and provide optimal nutrition and protection for the skin. It is suitable for use both during the day and at night, and has been dermatologically tested to ensure its safety and efficacy. Its use is recommended especially for people with sensitive and dry skin.

#### What are the ingredients of Weleda Almond Soothing Face Cream?

- Water
- Sweet almond oil: Sweet Almond Oil is a delicate and gentle skin care option, especially for skin that is sensitive, rough, dry, and scaly. This oil is especially suitable for babies and young children due to its high skin tolerance. Sweet Almond Oil stands out for its content in unsaturated fatty acids, including oil and linoleic acid. These beneficial nutrients help nourish the skin, keeping it soft and moisturized, and helping to prevent dryness and flaking.
- Alcohol
- Glyceryl stearate SE
- hydrolyzed beeswax
- plum stone oil
- Glycerin
- Xanthan gum (natural emulsifier and stabilizer)
- Lactic acid

#### How should Weleda Almond Soothing Face Cream be used?
