DESCRIPTION

What is the Weleda Almond Soothing Fluid for?

The Soothing Facial Fluid is a fragrance-free product that is formulated with organic sweet almond and plum stone oils. This moisturizing fluid is designed to reinforce the protective barrier of normal to combination sensitive skin and protect it from external threats, while soothing and protecting. In addition, it is quickly absorbed and leaves the skin soft and protected from oxidative stress.

What are the benefits of Weleda Almond Soothing Fluid?

This calming facial fluid is formulated to reduce the feeling of tightness and irritation in sensitive combination skin, while intensely moisturizing. It is suitable to be used both during the day and at night. In addition, it has been dermatologically tested to guarantee its efficacy and safety on the skin.
