

## Birch Body Scrub 150 ml

EAN: 7611916124877    FABRICANTE: WELEDA

The birch body scrub formula is designed to prepare the skin for subsequent anti-cellulite treatments. Contains natural wax pearls that provide gentle but effective exfoliation, removing dead cells and impurities from the skin. In addition, it is a 100% biodegradable product, which makes it friendly to the environment. It is recommended to use the scrub on the body before applying any anti-cellulite treatment for best results.

### DESCRIPTION

#### What is the Weleda Birch Body Scrub for?

Body exfoliation is an important part of the skin care routine and the Fine Pearls of Natural Waxes is the perfect tool to achieve soft and radiant skin. With a blend of pure water and natural coniferous and citrus essential oils, this gentle, 100% biodegradable body scrub is designed to be used once a week to remove dead skin cells and improve skin's appearance. In addition, its use before an anti-cellulite treatment helps to enhance its effect on the skin.

#### What are the benefits of the Weleda Birch Body Scrub?

This birch body scrub is ideal for preparing the skin before any anti-cellulite treatment. Helps activate skin cell renewal gently, without causing dryness or damaging vital cells. In addition, its natural wax pearls are 100% biodegradable and have been tested to guarantee high dermatological tolerance, even on sensitive skin.

## Birch Body Scrub 150 ml

EAN: 7611916124877    FABRICANTE: WELEDA

- Coconut Oil Based Surfactants
- Birch Leaf Extract: The flavonoids and tannins present in the delicate birch leaves have beneficial properties for the skin and body. These components help activate the metabolism of the skin and the lymphatic system, promoting the elimination of fluids retained in the body. Birch extracts are widely used in skin care products and massage oils as they also have connective tissue strengthening and softening properties.
- butcher's broom root extract
- rosemary leaf extract
- Xanthan gum (natural emulsifier and stabilizer)
- Lactic acid
- limonene
- linalool
- Citral

### How should the Weleda Birch Body Scrub be used?

It is recommended to use the body scrub once a week during the shower. To apply it, the skin should be dampened and the product should be gently massaged in circular movements, making sure to cover all areas of the body. Then, it should be rinsed with plenty of warm water to remove dead cells and obtain softer and more radiant skin.
