

Calendula Vegetable Soap 100g

EAN: 4001638098946 FABRICANTE: WELEDA

It is a soap made with vegetable ingredients, among which calendula stands out. This soap is especially suitable for sensitive skin, since its mild formula does not irritate or cause dryness on the skin. It gently cleanses without drying the skin and preserving its natural functions, maintaining your hydration.

DESCRIPTION

What is the Weleda Calendula Vegetable Soap for?

Suitable for delicate skin and for children's grooming: This product is ideal for the care of children's sensitive skin and for those with delicate skin.

Gently cleanses with calendula and chamomile extracts, without drying the skin and preserving its natural functions: Its gentle formula with calendula and chamomile extracts allows delicate and effective cleaning without affecting the skin's hydration or natural functions.

Also very suitable for those who wash their hands a lot: Since frequent hand washing can cause dryness and irritation to the skin, this product is an excellent option to maintain a gentle and effective clean without compromising the health of the skin.

What are the benefits of Weleda Calendula Vegetable Soap?

- Gently cleanses without drying: This personal care soap gently and effectively cleanses the skin without causing dryness or irritation to the skin. The gentle formula and its gentle cleansing action remove dirt, oil and impurities without compromising skin health and hydration.
- Preserves the natural functions of the skin: In addition to cleaning the skin, this soap also helps to preserve its natural functions. The skin has a natural barrier that protects against external elements and maintains the skin's hydration. The gentle formula without harsh ingredients helps maintain this barrier and the skin's natural functions, contributing to healthy, radiant skin.
