DESCRIPTION

What is Weleda Citrus Bio Moisturizing Body Milk for?

Citrus Refreshing Body Milk is a body lotion formulated with organic aloe vera, coconut and sesame oil, which provides intensive and long-lasting hydration to the skin. Thanks to its natural ingredients, this body lotion penetrates the skin easily, leaving it supple and soft.

In addition to providing hydration, Citrus Refreshing Body Milk has a citrus-lemon fragrance that refreshes the skin and awakens the senses. Its light texture allows it to be quickly absorbed by the skin, leaving a lasting feeling of freshness.

The effectiveness of this body lotion has been proven in clinical studies, where it has been shown that after 28 days of continuous use, skin hydration increases by 25%. This means that the skin remains nourished and supple throughout the day, providing a feeling of comfort and freshness.

In summary, the Citrus Refreshing Body Milk is an excellent option for those who are looking for a body lotion that hydrates and refreshes the skin at the same time. With its citrus-lemon fragrance, light texture, and proven effectiveness, this body lotion is an ideal choice for those who want refreshed, pampered skin.

What are the benefits of Weleda Citrus Bio Moisturizing Body Milk?
