

## Citrus Deodorant Spray 100 ml

EAN: 4001638097079 FABRICANTE: WELEDA

*Citrus spray deodorant offers 24-hour effectiveness and is formulated with 100% natural ingredients, without aluminum salts. It neutralizes unpleasant body odors without affecting the skin's natural regulation functions, making it suitable for both genders. Also, it has a refreshing citrus note that makes it nice and fresh.*

### DESCRIPTION

#### What is weleda Citrus Spray Deodorant for?

This deodorant has improved its formula by adding two new ingredients with an antimicrobial effect, which allows it to neutralize and prevent unpleasant body odors, providing effective protection for 24 hours. It is unisex and is recommended for use during pregnancy, lactation and sports, as it does not block pores and maintains the skin's natural regulation functions. Its citrus fragrance provides a sensation of freshness and immediate well-being.

#### What are the benefits of weleda Citrus Spray Deodorant?

- High tolerance dermatologically tested. Suitable for vegans.

#### What are the ingredients of weleda Citrus Deodorant Spray?

- Alcohol
- Water
