DESCRIPTION

What is weleda Citrus Roll-on Deodorant for?

The roll-on deodorant is formulated with natural essential oils known for their antimicrobial properties. This formula helps neutralize and prevent unpleasant body odors, providing effective protection that lasts up to 24 hours.

In addition to being unisex, this deodorant is ideal for use during pregnancy, lactation and sports, since it does not block pores and allows the skin to regulate its temperature naturally.

Its citrus fragrance offers a sensation of freshness and pleasant energy for men and women alike.

What are the benefits of weleda Citrus Roll-on Deodorant?

The deodorant offers effective protection for 24 hours without including aluminum salts in its formula. Its unisex aroma makes it suitable for anyone and it is an especially recommended option during pregnancy and lactation.

In addition, it is suitable for all skin types, providing long-lasting protection without causing irritation or clogging pores.
