EAN: 4001638093620 FABRICANTE: WELEDA

Dry, brittle and damaged hair: This nutritional oil provides nutrients to the hair fiber so that hair shines and is free of split ends.

DESCRIPTION

What is Weleda hair oil used for?

It serves to deeply hydrate your hair. This hair oil is rich in clover flower, burdock root and lavender essential oils and has the ability to nourish the hair fiber. By using it, your hair will be shinier and without split ends. It is suitable for all hair types, including dry, brittle or damaged hair, and is suitable for both women and men. Even if you have colored or curly hair, you can use this oil to get smooth and healthy hair.

What are the benefits of Weleda Hair Oil?

The hair oil deeply nourishes the hair fiber, revitalizes the scalp and provides flexibility and softness to dry or damaged hair.

What are the ingredients of Conditioning Hair Oil?

- Peanut oil
- Red Clover Petal Extract
- natural essential oils
- Burdock Root Extract
- rosemary essential oil
- limonene
- linalool
- Coumarin

How should weleda Hair Oil be used?

To improve the health of dry or damaged hair, it is recommended to apply the oil to the hair, from the roots to the ends, and leave it on for 20 minutes. Then the hair should be washed to remove excess oil. A small amount of oil can also be used to treat ends between washes.
