

Evening Primrose Redensifying Night Cream 30 ml

EAN: 4001638086585 **FABRICANTE:** WELEDA

This night cream is designed to nourish and revitalize mature skin, redensifying and firming it. In addition, it helps to visibly reduce wrinkles, redefines the facial contour and plumps the skin. In summary, this product works completely to achieve a healthier and younger looking skin.

DESCRIPTION

What is the weleda Evening Primrose Redensifying Night Cream for?

The Evening Primrose Redensifying Night Cream is used to deeply nourish the skin while you sleep, while firming and plumping it. Contains a unique formula with centella asiatica extract and wheat germ oil, which are rich in vitamins and help restore the skin's natural protective barrier, allowing it to regain its light and natural vitality.

What are the benefits of the weleda Evening Primrose Redensifying Night Cream?

This cream is designed to redefine the facial oval, visibly reduce wrinkles and expression lines, and improve the smoothness and uniformity of the skin. It has been dermatologically tested to ensure its efficacy and safety, and is suitable for all skin types.
