DESCRIPTION

What is the Foot Balm for?

We present our refreshing foot care, made with natural extracts of myrrh and calendula that strengthen and refresh the skin of your feet, preventing the appearance of hardness. Its lanolin and olive oil-based formula softens and hydrates the skin, leaving it velvety and silky to the touch. In addition, it contains kaolin that helps keep feet dry, providing a pleasant sensation of comfort. To ensure that your skin remains fresh and free from unpleasant odours, we have added pure essential oils with a deodorizing and refreshing effect. If you want to have well-cared and healthy feet, try our product and feel the difference in each application.

What benefits does the Foot Balm have?

Our refreshing foot product is ideal for those who want to keep their feet healthy and fresh. With its formula that provides a deodorant effect, it protects your skin from dryness and prevents the appearance of hard skin. When using it, you will feel how your skin is soft and velvety, providing a pleasant sensation of freshness on your feet. Best of all, our product has been dermatologically tested and does not contain preservatives, dyes, synthetic perfumes or substances of petrochemical origin, which makes it ideal for
