

## Gel Toothpaste for Children 50 ml

EAN: 4001638081863    FABRICANTE: WELEDA

*This toothpaste gel is a natural solution for children's oral hygiene. It is the first toothpaste for teeth that is designed to eliminate bacterial plaque and prevent cavities in children. Its natural formula is made from calendula, which gives it anti-inflammatory and antiseptic properties. In addition to being effective, this toothpaste does not contain fluoride.*

### DESCRIPTION

#### What is Weleda Gel Toothpaste for Children used for?

Gel Toothpaste for Children, specially formulated for milk teeth. This gel does not contain harmful substances in case of accidental ingestion and is designed to clean teeth, remove bacterial plaque and protect gums, while maintaining the natural balance of the oral mucosa. With a pleasant smooth and fresh flavor, but not too sweet to prevent children from getting used to artificial and sugary flavors, this dental gel is an excellent option to take care of children's oral health.

#### What are the benefits of Weleda Gel Toothpaste for Children?

This gel is indicated to help prevent the formation of bacterial plaque and dental caries. It is safe in case of accidental ingestion, which is especially important for use in children. Plus, it doesn't contain added fluoride, making it an excellent choice for those who want to avoid excessive fluoride exposure.

#### What are the ingredients of Weleda Children's Gel Toothpaste?

- Glycerin
- Water
- Silica
- sodium alginate
- Calendula flower extract: The extracts obtained from the flowering aerial part of the marigold contain various natural compounds, such as carotenoids, flavonoids and saponins, which give them properties that favor the regeneration of the oral mucosa.
- sweet almond oil
- Aesculina (horse chestnut bark)
- flavorings
- limonene
