

## Gentle Cleansing Milk 100 ml

EAN: 4001638080132    FABRICANTE: WELEDA

*The Gentle Cleansing Milk based on natural plants and distilled witch hazel water is perfect for daily cleansing of normal to dry skin. Despite its deep cleansing action, the milk does not dry out the skin thanks to its gentle formula.*

### DESCRIPTION

#### What is Weleda Gentle Cleansing Milk for?

Formulated with organic ingredients, this cleansing milk is suitable for vegans and is suitable for daily cleansing for all skin types. With jojoba oil and witch hazel, it gently but effectively cleanses, removing impurities, make-up and excess oil without drying the skin. In addition, it respects the natural hydrolipidic balance of the skin, which makes it perfect for those looking for a deep but gentle cleansing.

#### What are the benefits of Weleda Gentle Cleansing Milk?

With a fresh and pleasant scent, this cleansing milk is a safe and effective option for those with normal to dry skin.

In addition to cleansing the skin, it also respects the skin's natural hydrolipidic balance, which means it does not strip away the natural oils that keep the skin hydrated and protected. This ensures that the skin remains healthy and well-nourished, while the gentle yet effective cleansing removes impurities, make-up and excess oil.
