### DESCRIPTION

#### What is the Weleda Refreshing Eye Hydragel used for?

The HydraGel for the eye contour is a suitable option for vegans who seek to reduce the signs of fatigue around the eyes and prevent the appearance of expression lines. Its formula is enriched with cucumber, cactus and aloe, which provide immediate and lasting hydration for more than 12 hours. In addition, it is specially designed to be used by contact lens wearers.

Hydragel is fast-absorbing and fragrance-free, making it ideal for sensitive skin. In addition, it helps to strengthen the skin's protective barrier, which helps keep it hydrated and protected. Its formula has been dermatologically tested and is suitable for all skin types. Plus, it's non-comedogenic, which means it won't clog pores.
