The HydraMist Moisturizing Facial Mist is very moisturizing and instantly refreshes the skin. It is suitable for all skin types. It provides a sensation of freshness and additional hydration that can last up to 12 hours.

DESCRIPTION

What is the Weleda Hydrmist Facial Mist used for?

The HydraMist Mist is suitable for vegans and comes in a spray format for an easy and refreshing application. This mist revitalizes tired and dull skin, toning it and leaving it supple. Plus, it refines pores for 12-hour hydrated skin. With its unique formula, with opuntia cactus extract, HydraMist Mist provides a pleasant sensory experience and extra hydration for radiant and revitalized skin.

What are the benefits of the Weleda Hydrmist Facial Mist?

Refreshes and revitalizes fatigued skin, providing intensive hydration for 12 hours. This formula is oil free and does not leave a sticky feeling after use. It is dermatologically tested and is suitable for all skin types, as well as being non-comedogenic.
