### DESCRIPTION

#### What is Weleda Invigorating Tonic Lotion used for?

The brand's Energizing Toning Lotion is suitable for vegans and is ideal for refining pores and purifying skin after cleansing. Thanks to the power of Hamamelis, the skin is left with a sensation of freshness and purity after its application.

#### What are the benefits of Weleda Invigorating Tonic Lotion?

This toner has been dermatologically tested and has properties to improve the appearance of the skin. Its formula refreshes and refines the pores, tones the skin and maintains the hydrolipidic balance. This tonic lotion has been specially designed to be suitable for all types of feet.

#### What are the ingredients of Weleda Invigorating Tonic Lotion?

- Water
- Alcohol
- Rosehip Leaf Extract: Rosehip leaves contain tannins and essential oils that have a toning and astringent effect on the skin. Extracts from these leaves have been used in cosmetics to revitalize dull, tired skin. For this reason, products containing rose leaf extracts are an excellent choice for those looking for natural ingredients in their skin care.
- Distilled witch hazel: Distillation of witch hazel produces distilled water with cooling, astringent, and toning properties. For this reason, it is used in facial cleansing products to keep skin hydrated and prevent dryness. This witch hazel distilled water is an excellent option for those looking for an effective and gentle facial cleansing at the same time.
