Experience a sensation of complete well-being during your relaxing bath with Lavender Essential Oils, whose aromatic properties are ideal for inducing relaxation and calming both body and mind.

DESCRIPTION

What is the Relaxing Lavender Bath for?

Immerse yourself in an oasis of peace and relaxation with the Lavender Relax Bath. Its natural essential oils release their relaxing fragrance into the water and air, allowing your body and mind to absorb their benefits through smell and touch. This wellness bathroom is perfect for enjoying a spa at home, taking time for yourself during the weekend. In addition, its valuable natural oils and extracts of medicinal plants protect the skin from dryness, providing you with a true luxury to rest your body and mind, especially in times of stress or to help you fall asleep.

What benefits does the Relaxing Lavender Bath have?

This product has been designed to be used mainly at night, and has relaxing and calming properties that provide a pleasant feeling of well-being. In addition, it has been subjected to dermatological tests to guarantee its safety and is suitable for people who follow a vegan diet.
