

## Pomegranate Firming Day Cream 30 ml

EAN: 4001638090889    FABRICANTE: WELEDA

*This day cream is quickly absorbed and has been formulated to reduce wrinkles and expression lines, providing antioxidant care for the skin. Thanks to its high antioxidant power, this cream helps counteract the damaging effects of free radicals. In addition, it activates cell renewal for firmer, smoother and more luminous skin. This cream is suitable for all skin types and helps to firm and protect the skin from environmental damage and the passage of time.*

### DESCRIPTION

#### What is Granada Firming Day Cream used for?

The Pomegranate Firming Day Cream is an option suitable for vegans\*, since it does not contain any raw materials derived from animals. This cream has been formulated with organic pomegranate oils, known for their antioxidant action and for stimulating the skin's cell renewal process. In addition, it contains a careful blend of natural oils that help counteract the damaging effects of free radicals. Thanks to its formula, this cream reduces wrinkles and expression lines, and is for daily use for optimal skin care."

\*Products marked as vegan do not contain any raw materials derived from animals. However, the contact of these products and their raw materials with material of animal origin during the manufacturing process cannot be totally ruled out.

#### What are the benefits of the Granada Firming Day Cream?

Granada Firming Day Cream is a formula that activates skin cell renewal, providing a firmer, brighter and smoother appearance. Thanks to its high content of pomegranate antioxidants, it helps combat oxidative stress caused by free radicals, which helps reduce the visibility of wrinkles and expression lines. Dermatologically tested for all skin types, its soft and silky texture is ideal for use as a make-up base.
