

## Pomegranate Regenerating Hand Cream 50 ml

EAN: 4001638088459 FABRICANTE: WELEDA

*The Granada Regenerating Hand Cream is rapidly absorbed, regenerative and antioxidant, which makes it a great ally in the fight against premature skin ageing. Its formula helps prevent spots caused by sun exposure and photoaging.*

### DESCRIPTION

#### What is the Granada Regenerating Hand Cream for?

Hands are an important part of our appearance, so it's crucial to take good care of them every day. With our intensive antioxidant care, you will be able to regenerate the skin and delay the signs of skin aging, in addition to protecting it from the harmful effects of the environment that can cause the premature appearance of spots. Its non-greasy formula, enriched with organic pomegranate seed oil, a powerful antioxidant and regenerator, stimulates cell renewal processes for healthier skin. Organic shea butter and sesame oil help prevent skin from drying out. Enjoy its soft feminine and inspiring aroma for a complete sensory experience.

#### What are the benefits of Granada Regenerating Hand Cream?

Our product has an antioxidant effect that protects the skin from free radicals and prevents skin drying. In addition, it softens and firms the skin, and prevents the premature appearance of age spots. We have dermatologically tested its high tolerance, even on sensitive skin, to guarantee its safety and effectiveness. In addition, it is suitable for people with celiac disease.

**EAN:** 4001638088459 **FABRICANTE:** WELEDA

- Water
- Sesame oil: a perfect oil for massages and skin and hair care. It is especially beneficial for dry, dull and mature skin due to its nourishing and antioxidant properties. In addition, it is an ideal carrier oil for active ingredients thanks to its high content of unsaturated fatty acids, phytosterols and Vitamin E, which makes it a star ingredient in the formulation of high-quality cosmetics.
- Glycerin
- Alcohol
- Glyceryl stearate SE
- shea butter
- Unsaponifiable olive oil
- Sunflower oil
- Pomegranate seed oil: Our product uses pomegranate seed oil, one of the most active and beneficial oils for the skin thanks to its unique richness in punic acid, a rare unsaturated fatty acid, and vitamins with high antioxidant power. This oil has been shown to improve skin regeneration and is especially recommended for dry, mature and stressed skin due to its exceptional properties.
- millet seed extract
- butcher's broom root extract
- Sunflower Petal Extract
- Xanthan gum (natural emulsifier and stabilizer)
- stearic acid
- palmitic acid
- natural essential oils
- limonene
- linalool
