

Pomegranate Roll-on Deodorant

EAN: 4001638500203 **FABRICANTE:** WELEDA

This pomegranate-scented roll-on deodorant provides effective protection throughout the day and is 100% natural, without aluminum salts. In addition to being naturally fresh, its sensual scent makes it an excellent choice for women looking for an effective and pleasant deodorant.

DESCRIPTION

What is weleda Granada Roll-on Deodorant for?

This roll-on deodorant uses natural essential oils with antimicrobial properties to prevent and neutralize bad body odours. It provides up to 24 hours of effective protection and is suitable for both men and women. It is a good option for pregnant or lactating women, as well as for athletes, since it does not clog pores and allows the natural regulation of the skin. In addition, its exotic fragrance of orange, davana and vanilla gives it a sensual and feminine scent.

What are the benefits of the weleda Pomegranate Roll-on Deodorant?
