### How should Weleda Aroma Lavender Relax Shower Gel be used?

To use Aroma Shower Relax shower gel, it is recommended to apply an amount similar to the size of a hazelnut on wet skin during the shower. It should then be gently massaged to emulsify and form a fine foam that gently but effectively cleanses the skin. Finally, it is rinsed with plenty of water until the product is completely removed. This shower gel is suitable for all skin types and can be used daily for a cleansing and relaxing experience in the shower.
