

## Rosehip Smoothing Day Cream 30 ml

**EAN:** 4001638089654    **FABRICANTE:** WELEDA

*This nourishing day cream is suitable for normal to dry skin and provides a radiant, velvety finish while protecting skin from the first signs of aging. In addition, it visibly attenuates expression lines and brings vitality to the skin. Its nourishing and softening formula intensely nourishes the skin, leaving it soft and smooth.*

### DESCRIPTION

#### What is the Rosa Mosqueta Smoothing Day Cream for?

Weleda Rosehip Smoothing Day Cream helps visibly reduce expression lines and gives the skin a velvety finish. Its formula includes natural ingredients such as sedum purpureum, myrrh and horsetail, which help protect the skin and reduce expression lines, smoothing wrinkles and improving luminosity. This cream is ideal for daily use, leaving the skin looking radiant and smooth.

#### What are the benefits of the Rosa Mosqueta Smoothing Day Cream?

This moisturizer is ideal for normal to dry skin, as it not only provides hydration, but also helps to reduce fine lines. Preserves the elasticity and vitality of the skin, leaving it with a soft rose scent. It has been dermatologically tested to guarantee its safety and efficacy on the skin.
