### DESCRIPTION

#### What is the Rosehip Smoothing Eye Contour for?

The eye contour area is especially delicate and requires special care. Our Rosehip Smoothing Eye Contour Cream is perfect for protecting and nourishing this sensitive area. Infused with natural extracts of rosehip, sedum purpurem, and eyebright, this fragrance-free cream visibly smoothes fine lines and reduces puffiness, leaving skin with a natural glow. In addition, it is suitable for users with contact lenses, offering unparalleled protection and softness. Ideal for all skin types.

#### What are the benefits of the Rosehip Smoothing Eye Contour?

Our eye contour has been formulated to visibly soften expression lines and reduce bags, providing a more luminous appearance to the eye contour. In addition, it has been dermatologically tested and is suitable for all skin types. This product does not contain perfume to avoid irritation in the delicate area around the eyes.
