

Rosehip Smoothing Night Cream 30 ml

EAN: 902259371

FABRICANTE: WELEDA

Night Regeneration Cream is a nourishing product that promotes skin regeneration overnight. Provides essential nutrients and helps maintain skin elasticity and vitality, resulting in a radiant appearance. In addition, this cream is effective in significantly reducing expression lines and restoring the skin. It is suitable for all skin types.

DESCRIPTION

What is the Rosehip Smoothing Night Cream for?

The Rosehip Smoothing Night Cream of our product has regenerative properties that help tired skin to recover while you sleep. This cream contains a special blend of rosehip and evening primrose oils, along with extracts of sedum purpureum, horsetail and myrrh, which nourish and revitalize the skin. When applied at night, the skin feels velvety soft, as well as being more vitalized.

What are the benefits of the Rosehip Smoothing Night Cream?

The formula of our product is especially effective in significantly reducing expression lines, which significantly improves the appearance of the skin. In addition, its nourishing mixture softens and regenerates the skin, providing it with a delicate rose fragrance. This product has been subjected to dermatological tests, which guarantees its safety and efficacy. It is suitable for all skin types.
