How should Aroma Shower Harmony be used?

To use our product in the shower, we recommend applying a hazelnut-sized amount to the skin, then gently massaging to create a fine lather and finally rinsing with water. It is important that you do not use more than necessary, as this can cause a greater consumption of the product and will not provide any additional benefit to your skin. With this simple routine, you will be able to cleanse and care for your skin effectively, leaving it fresh and soft to the touch.
