

## Scent Shower Love 200 ml

EAN: 7611916160769 FABRICANTE: WELEDA

*This gel shower gel with 100% natural essential oils is pH-balanced with skin and is soap-free, so it gently cleanses without drying it out, even on sensitive skin. In addition, it is completely biodegradable, so it does not harm the environment. Its fragrance is totally natural and combines damask rose, jasmine and ylang, making it a very pleasant and relaxing shower experience. In summary, this shower gel is a soft and natural option that takes care of both your skin and the planet, leaving you feeling fresh and well-being.*

### DESCRIPTION

#### What is the Aroma Shower Love used for?

If you want to enjoy a soft and delicate shower experience, the Love shower gel is perfect for you. Its formula contains 100% natural essential oils that give it a charming perfume of Damask rose, jasmine and ylang ylang, making it a delight for the senses. In addition, its formula is suitable for vegans, so it does not contain ingredients of animal origin nor has it been tested on animals. This shower gel is not only pleasant, but it is also respectful of nature, since it is biodegradable. So if you want to feel pampered and cared for, try Love shower gel!

#### What are the benefits of Aroma Shower Love?

These shower gels contain 100% natural essential oils that gently cleanse without leaving the skin dry. In addition, thanks to the vegetable oils they contain, they hydrate and care for the skin, leaving it soft and pampered. Its 100% natural fragrance of damascene rose, jasmine and ylang is a delight for the senses. These shower gels are suitable for all skin types, so anyone can enjoy their benefits. In summary, if you are looking for a natural and gentle way to cleanse your skin, these shower gels are a great option.
