

Sea Buckthorn Moisturizing Hand Cream 50 ml

EAN: 4001638097499 FABRICANTE: WELEDA

A light and quickly absorbed hand cream, ideal for daily use, which nourishes and protects dry, very dry or damaged skin.

DESCRIPTION

What is the Sea Buckthorn Moisturizing Hand Cream for?

Enjoy soft and hydrated hands with our fast-absorbing daily care. Its fine composition based on organic sea buckthorn oil, rich in vitamin E and provitamin A, stimulates skin renewal to leave it smooth and velvety. Its texture penetrates quickly without leaving a greasy sensation, and its soft fruity aroma of tangerine and orange will enchant you.

What are the benefits of Sea Buckthorn Moisturizing Hand Cream?

Get hands that are protected, hydrated and soft as silk thanks to our product, which leaves the skin velvety smooth. In addition, its high tolerance has been dermatologically tested to guarantee its safety and effectiveness.
