

Sea Buckthorn Nourishing Body Milk 200 ml

EAN: 4001638529389 FABRICANTE: WELEDA

This body milk is capable of providing immediate hydration, penetrating deep into the skin to repair and protect it from within. In addition, its formula rich in nutrients and natural antioxidants contributes to improving the general appearance of the skin, leaving it visibly smoother, more vital and velvety.

DESCRIPTION

What is Weleda Sea Buckthorn Nourishing Body Milk for?

Sea Buckthorn Nourishing Body Milk is a highly nourishing care that uses organic sea buckthorn oil, rich in natural antioxidants and carotenes, to leave skin soft, smooth and healthy. This formula is especially beneficial for dry skin or for those that have been exposed to the sun.

In addition to its nutritional composition, the body milk has a fruity aroma of tangerine and orange that is refreshing and invigorating for the senses. Its light and fast-absorbing texture allows the skin to quickly absorb its moisturizing and antioxidant benefits.

What are the benefits of Weleda Sea Buckthorn Nourishing Body Milk?

Sea Buckthorn Nourishing Body Milk is an effective, fast-absorbing care to instantly nourish dry and damaged skin and maintain its optimal moisture level. In addition, its unique formula helps soothe and protect the skin from external aggressions, which makes it ideal for use as an aftersun.

This care also contains a refreshing fragrance that leaves a delicious and revitalizing sensation on the skin. It is suitable for all skin types and has been dermatologically tested to ensure its quality and safety.
