

## Shaving Balm 100 ml

EAN: 4001638098564 FABRICANTE: WELEDA

*This balm is ideal for after shaving, both in wet and dry shaves, as it provides a fresh and smooth finish to the skin. In addition, its formula is light and contains calming ingredients that are ideal for all skin types, be it normal, dry or sensitive. With this balm, your skin will feel soft, hydrated and protected after shaving. Enjoy high-quality personal care and smooth, healthy skin.*

### DESCRIPTION

#### What is the Shaving Balm for?

This light balm is very easy to use and provides a refreshing sensation like a stream of water. It is quickly absorbed and is perfect for skin care after manual or machine shaves. Contains natural ingredients such as shea butter, chamomile and myrrh extracts, which soothe and protect irritated skin. In addition, the aloe vera gel provides hydration and a pleasant feeling of freshness, while the organic jojoba oil protects the skin from dryness. With this balm, your skin will be protected, hydrated and soft after shaving. Enjoy healthy and well-groomed skin with this high-quality balm.

#### What are the benefits of Shaving Balm?

This product is designed to hydrate and soothe irritated skin, leaving it soft and healthy. It has been dermatologically tested on all skin types, including sensitive skin, and does not contain preservatives, dyes, synthetic perfumes or substances of petrochemical origin.
