EAN: 4001638098809 FABRICANTE: WELEDA

*A delicate formula for manual shaving that protects and cares for the skin, allowing you to achieve a close shave without irritating even the most sensitive skin.*

### DESCRIPTION

#### What is the Shaving Cream for?

Manual Shave Cream creates a smooth, creamy lather, providing a close, smooth shave. Its formula is enriched with ingredients such as goat milk, almond milk and organic extracts of wild pansy, which optimally prepare the skin for shaving and envelop it in a protective layer that leaves it soft and soothed.

#### What are the benefits of Shaving Cream?

This manual shaving formula effectively softens beards, allowing for a close, smooth shave while soothing sensitive skin. It has been rigorously dermatologically evaluated for all skin types, even the most sensitive. In addition, this formula is free of preservatives, dyes, synthetic perfumes and substances of petrochemical origin, guaranteeing a natural and safe shaving experience.
