

Skin Food Body Butter 150ml

EAN: 4001638526708

FABRICANTE: WELEDA

Body Butter Skin Food is a fast-absorbing nourishing body balm that brightens the skin and intensely nourishes it. Now in an ecological and respectful format with the environment. Its formula contains all the benefits of Skin Food, but without leaving a greasy sensation.

DESCRIPTION

What is Weleda Skin Food Body Butter used for?

This cream serves to nourish and moisturize the skin intensively. It is formulated with BIO shea butter and BIO cocoa butter, which leave the skin soft and velvety. It is ideal for skin care after exfoliation or after a bath or shower, and restores its natural hydration to the skin. In addition, its new packaging, made with 85% recycled glass, is more sustainable and comes wrapped in a 100% recyclable cardboard box. Skin Food Body Butter has been awarded "Best Green Skin Care" at the 2022 Elle International Beauty Awards, an international award that highlights the sensoriality, efficacy and commitment to caring for the planet of products.

What are the benefits of Weleda Skin Food Body Butter?

This product is designed to protect the skin from dryness and provide long-lasting hydration. In addition, its formula nourishes and repairs the skin, leaving it softer and more elastic. Thanks to its rapid absorption, you can enjoy instantly hydrated skin. This product has been dermatologically tested and is perfect for treating dry or cracked skin.
