

Skin Food Intensive Nutrition Body Milk 200 ml

EAN: 4001638529426 FABRICANTE: WELEDA

Skin Food Body Milk hydrates, nourishes and repairs the skin. This body milk is nutritious, light in texture and quickly absorbed. Its intensive nutrition formula adapts perfectly to dry skin, providing deep hydration without leaving a greasy feeling.

DESCRIPTION

What is Weleda Intensive Nutrition Body Milk Skin Food used for?

This body milk serves to nourish and repair dry and very dry skin, as well as to treat irritation and cracks. Thanks to its formula based on healing plants, such as sunflower seed oils and shea butter, this light-textured milk absorbs quickly, providing long-lasting hydration and radiance to the skin.

What benefits does Skin Food Intensive Nutrition Body Milk from Weleda have?

This body milk provides an intensive repairing effect for dry skin, thanks to its formula enriched with healing plants, sunflower seed oil and shea butter. Its light and fast-absorbing texture allows it to deeply hydrate and nourish the skin, without leaving a greasy or heavy feeling.

Skin Food Intensive Nutrition Body Milk 200 ml

EAN: 4001638529426 FABRICANTE: WELEDA

- Wild Pansy Extract: Wild pansy flower extract, also known as Viola Tricolor Extract, is rich in long-chain sugars that help create a moisturizing and protective barrier on the skin. This property makes it ideal for the care of dry and sensitive skin.
- Calendula Flower Extract: Calendula flower extract comes from the orange flowers of the Calendula plant. They contain carotenoids, flavonoids and saponins, which help soften the skin and promote its regeneration. This extract is known for its beneficial properties for the skin.
- Xanthan gum (natural emulsifier and stabilizer)
- Tocopherol
- Lactic acid
- Fatty acid esters (emulsifier)
- natural essential oils
- limonene
- linalool
- benzyl benzoate
- benzyl cinnamate

How should Weleda Skin Food Intensive Nutrition Body Milk be used?

Its daily use is recommended after bath or shower. Apply to dry skin and gently massage until fully absorbed.
