

Solid Shower Soap Energizing Freshness 75g

EAN: 4001638529945 FABRICANTE: WELEDA

Citrus Energizing Freshness Solid Shower Soap is an ecological and concentrated option for the shower. Its solid format makes it 100% biodegradable and its citrus fragrance with notes of ginger and petitgrain helps to energize the body. In addition, it contains organic shea butter to provide hydration and care for the skin.

DESCRIPTION

What is Weleda Energizing Fresh Solid Shower Soap for?

This solid shower soap offers an ecological and sustainable option for personal hygiene. With an energizing fragrance based on citrus and ginger, this soap cleanses and cares for the skin without drying it out. In addition, its solid format makes it more concentrated than a shower gel, so it lasts longer and generates less waste. Perfect for those looking for more conscious and environmentally friendly personal care options.

What are the benefits of Weleda Energizing Fresh Solid Shower Soap?

- Solid Format: Presented in a solid bar presentation.
- 100% Biodegradable: The product is fully biodegradable, meaning it breaks down easily in nature without causing environmental harm.
- More concentrated: The formula of the product is highly concentrated, which allows greater effectiveness with a smaller amount of product.
- All skin types: The product is designed to be gentle and effective on any skin type, from dry skin to oily to sensitive skin.
