

Vegetable Toothpaste Gel 75 ml

EAN: 4001638098045 **FABRICANTE:** WELEDA

The Vegetal Toothpaste Gel is a combination of plant extracts to achieve fresh breath and effective cleaning of tooth enamel. Thanks to its formula, this toothpaste not only cleans the teeth, but also cares for the enamel and helps prevent the formation of bacterial plaque, prevents cavities and protects the gums. It tastes like fresh mint.

DESCRIPTION

What is the Weleda Vegetable Gel Toothpaste used for?

To keep teeth and gums in good condition, it is important to care for them properly to prevent the formation of plaque bacteria. Vegetable Gel is a soft and delicate toothpaste, specially formulated for this purpose. It contains naturally occurring silica that gently cleans teeth without damaging the enamel, while at the same time preventing the formation of bacterial plaque. In addition, its herbal formula with mint and spearmint helps to freshen the breath, which is especially pleasant. This product is suitable even for children who already have their final teeth.

What are the benefits of Weleda Vegetable Toothpaste?

This tooth gel offers an effective solution to maintain fresh breath and clean and care for tooth enamel. In addition, it helps prevent the formation of bacterial plaque, which contributes to good dental health.
